RULES & SCHEDULE

All teams will pay a security of 100 €, which will be refunded after the end of the tournament (also Cupcard Highschool Owners), as long as all tournament rules have been observed. In Berlin-Moabit we play by the FIBA rules with few exceptions. We play 4 x 8 minutes in every category of 5:5 including the finals (not included are wheelchair 3 on 3 + FIBA 3 on 3). Exclusively the last 2 minutes of the 4th quarter are stopped.

Groups in the group stages will have a size of 4/5 teams. First- and second placed teams will go on to play in the play-offs, the others will continue in the play-downs. Teams will have to table judge (take the time + filling in table judging sheet) before or after their own games on Friday 30.March and Saturday 31.March (not including the play-off finals). A table judging schedule will be installed. This modification is part of our kids project concept in Berlin.

All teams will be informed about this in the office and via email. Teams, that do not show up to their own games or do not have a proper explanation for arriving late will have to pay 50 €. Teams that do not show up to their table judging duties will have to pay 25 €. These penalties will be cleared with security deposit in the end of the tournament. All teams that have booked the cupcard will be an additional security deposit for the housing facilities, in order to prevent any issues in the accommodations (i.e. losing keys, unmade final cleaning etc.). Team authorities will sign up for this in the office at their arrival. Hereby we want to ensure a stress-free tournament for all of us.
